

MultiRoute EAR30

The latest generation of high-performance all-position tyre for national and regional operations.

LONGEVITY

Excellent life span on well paved road surfaces.

SAFETY

Great stability for all axle positions applications.

CONTROL

Good wet and dry maneuverability, especially with repeated braking or accelerating traffic conditions.

MultiRoute EAR30

TECHNICAL FEATURES

The optimized pattern design improves both dry and wet handling in changing regional traffic conditions.

The high, rigid belt structure enhances driving stability.

The enhanced tread formula ensures long tread life and excellent cut or chip resistance.
